

Company Profile

The executive presentation coaches at Marketing Motivator help corporate executives, emerging leaders and ambitious entrepreneurs to become the recognized leaders in their fields by mastering the art of high engagement presentations, more effective networking and personal branding. Our services include executive coaching, training in presentation skill mastery and professional networking, as well as motivational keynote speaking. We believe that the best investment your company can make is to develop and motivate its human capital.

“Our clients can count on us to stretch their thinking, to inspire, and to motivate them to realize their full leadership potential now.”

- Kathy McAfee, President, Kmc Brand Innovation, LLC

- ⊙ **Executive Coaching and Leadership Development.** *AdvanceMe! is a corporate executive coaching program specifically designed to accelerate change and leadership success for high potential talent in the organization. Using the powerful, proven techniques of Neuro Linguistic Programming (NLP), the program helps to facilitate maximum permanent, positive change in the least amount of time to achieve your leadership goals. Available in 1:1 executive coaching.*
- ⊙ **Presentation Skills Training.** *The Motivated Presenter™ is designed to significantly enhance the impact and outcome from your next presentation or meeting. Introduction of time-saving planning tools, key message development criteria and PowerPoint-FREE creative delivery techniques provide immediate return on investment from this program. As a result of this program, business executives and technical professionals will advance their ability to communicate, motivate and persuade audiences of all types. Available in 1:1 executive coaching and on-site group workshops.*
- ⊙ **Networking Skills Development.** *Perfect Your Pitch and our other business networking skill courses are designed to improve your career management and business development results and confidence. Specific techniques are taught to help you fine-tune your 1) elevator pitch introduction; 2) non-verbal body language; and 3) rapport building skills. Effective follow-up and connecting skills will help you leverage your Rolodex and increase your sphere of influence inside and outside the organization. Available in 1:1 coaching, on-site workshops and motivational talks.*
- ⊙ **Motivational Keynote Speaker.** *Hire professional speaker Kathy McAfee as your motivational keynote or as the facilitator for your next major meeting or conference. She guarantees that she will stretch the thinking, inspire and motivate your audience and team to action. Speaking topics include networking, communications, marketing and personal development.
